New Location of Commercial Livery and Garage, Inc., of Woodstock.

The Commercial Livery and Garage, incorporated, formerly of Woodstock, has purchased one of the oldest properties in town, the location of which it is to use for the erection of a large new garage. This property is known as the Lewis Lyman homestead, located on Maple street, later the home and property of the late Dr. Allen, and in recent years owned by H. A. Perkins and company. The sale was brought about through the real estate agency of L. D. Darby and the present manager of the Commercial Garage, Inc., T. H. Wilford. The lot purchased extends on the east to the Massopust division of the Boston & Maine railroad, and has a frontage on Maple street of nearly 100 feet and a depth of 200 feet. The new garage will be modern in every respect. It will be fire proof, being built of slow burning brick with concrete floors. The garage will contain offices with all modern conveniences, storage, service, and show rooms, as well as waiting rooms. ## "KILL-JOYS"

Constipation, Headache, Colds, Biliousness ended with "Cascarets"

Nothing takes the joy out of life quicker than a disordered liver or waste-clogged bowels. Don't stay sick, bilious, headachy, constipated. Remove the liver and bowel poison which is keeping your head dizzy, your tongue coated, your breath bad and stomach sour. Why not spend a few cents for a box of Cascarets and enjoy the nicest, gentlest laxative-cathartic you ever experienced? Cascarets never gripe, sicken or inconvenience one like salts, oil, calomel or harsh pills. They work while you sleep.—Adv.

## How to Remove Tobacco Stain from the Teeth

A stiff scrubbing brush and some gritty powder will scour anything—but also ruin the best hardwood floor. It is so with some tooth pastes. They will clean, but in the process will wear off the enamel of the teeth!

Mr. William Kuebler of 1309 Arch street, Philadelphia, considers himself a heavy smoker. His dentist told him Albidon Dental Cream was the best preparation he knew of. Mr. Kuebler now says it is the only one that will keep his teeth free from tobacco stain and tartar, and do it without injury.

Let other heavy smokers try it! Many important dentists use Albidon exclusively at the chair to clean their patients' teeth. It is appropriate and safe for women and children. A tube of this fine cream lasting five weeks retails at 25c.

## Colds are Catching

EASY TO BREAK RIGHT UP

Don't pass your cold to other members of your family. Don't stay stuffed-up! Quit blowing and snuffling! The very first dose opens your clogged-up nostrils and the air passages of the head; stops nose running; relieves the headache, dullness, feverishness, sneezing, soreness and stiffness.

"Pape's Cold Compound" is the quickest, surest relief known and costs only a few cents at drug stores. It acts without assistance, tastes nice, no quinine.—Adv.

## Barre Woman Knows She Was Helped

Mrs. J. M. Clark, 191 1/2 Summer street, Barre, Vt., says: "I suffered from general debility, liver and stomach trouble for six months. I was dizzy and had a numb feeling all the time. A friend told me about Goldline, the new medicine, and I tried it. It certainly did one thing for me, and that was to take away those pains around my heart. They scared me a whole lot, but now, thanks to Goldline, I don't have the many more. I also don't feel so dizzy and I am better in every way."

Goldline is sold in Barre by Cummings & Lewis and all leading druggists. Read this section, including the towns of East Barre, S. Barre, West Barre, Granville, Williamstown, Washington, W. Topsham and Brookfield.—Adv.

The family, seated at the dinner table, were all fashioned from vegetables. This artistic display was the work of Charles Robinson.
